

N.E.W.G.L.S.F. Joins the Manitowoc –Two Rivers Area Chamber of Commerce:

Betsy A. Alles, Executive Director of the Manitowoc – Two Rivers Area Chamber of Commerce recently welcomed the Northeastern Wisconsin Great Lakes Sport Fishermen (NEWGLSF) organization as one of its newest members. NEWGLSF Board Member, Charles Blish, accepted the Chamber membership plaque for the club from Betsy at the Chamber office.

With our membership continuing to grow, and our promotional efforts bringing in 1000's of fishermen yearly it seemed fitting that we join the Chamber. We hope that Northeastern Wisconsin Great Lakes Sport Fishermen and the Chamber will form a good working relationship in promoting this great fishery among the local business community.
