## The 2009 Overall Grand Slam Contest Winner:

This has been a great year for Grand Slam fishermen. The last couple of years we have been only having one or two of our members actually entering all five species, and a lot more with 4 of the 5 species. This year as you can see we have 5 that made the cut and they are all very close. They are all lucky that Mary Jo Lemon did not get all of her fish this year, since she started off with that huge 32 pound Brown in May and then followed with a nice 12 pound Rainbow. but like so many of our fishermen getting 4 of the 5 does not count. Congratulation goes to the 5 members below and especially Ervin Monk who won the Grand Slam competition with 66.94 pounds.
