“WHY JOIN N.E.W.G.L.S.F.?”

The reasons to join NEWGLSF are simple; besides raising millions of fish for everyone at our rearing facility in Lincoln Park, we also attempt to keep our fishermen informed on everything that affects your sport fishery, while promoting our Spring Banquet, Club's Fishing Contest and the Salmon Derby. We need your dues to offset the cost of getting the newsletters printed and mailed, not counting the volunteer time needed to produce and mail the newsletters. Congratulations to everyone who has helped!

During the month of January and April, Northeastern Wisconsin Great Lakes Sport Fishermen, does a large mailers of their newsletter to fishermen and businesses, which are not members or sponsors in an attempt to increase our club's membership.

Over the past several years I had several individuals, who were not paid members, indicate to me, that when they attempted to enter fish in the Club's Year Long Fishing Contest their entries were not accepted. These individuals thought they were members because they got a couple of newsletter in spring. In order to be a member, you need to make that small annual payment to NEWGLSF. A Membership / Sponsorship Form is also found in this section.

If You Do Not Pay Your "Small Annual Dues" You Are Not A Member!

Doesn't it makes perfect sense to "JOIN" the organization:

1. That has raised over 6,000,000 trout and salmon in their rearing facility at Lincoln Park in Manitowoc for you to catch? This past year, 2011, we made major improvements to the rearing pond facility of approximately \$16,000.00.
2. That offers you an opportunity to enter the fish you catch in a " Year Long Club Fishing Contest" for **FREE WITH YOUR MEMBERSHIP** with 75 prize packages totaling more than \$4,000 worth of new lures given out annually.
3. That provides you an opportunity to show off your fishing skills by competing in the Annual Salmon Derby for prizes totaling more than \$25,000.
4. That holds an Annual Spring Fishing Banquet to start off the year. The Spring Banquet is always on the second Saturday in March and still has one of the lowest ticket prices around. The Spring Banquet is our Major Fund Raiser because of the many donations from our sponsors and the tremendous turnout.
5. That provides you with newsletters most of the year, keeping you informed on everything that affects the fishery.
6. That provides you with a Web Site newglfsf.org with important information including weather reports, fishing reports, water temperatures, business and lure manufacturer sponsors and various important contact information.
7. That has a legislative committee that works with the WDNR and other state and local agencies in protecting and improving your Great Lakes Sport Fishery.
8. That gives you the opportunity to belong to an organization that already has over 650 members and 100 sponsors that believe a strong Northeast is important.
